

LARGE FORMAT PRINT GUIDELINES

These guidelines are to be followed when supplying print ready files unless specified otherwise

artwork to be set up at

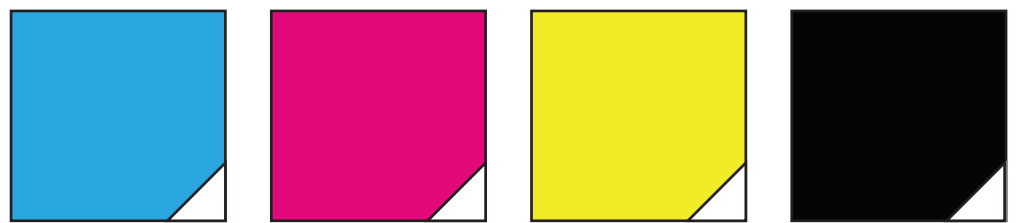

1/4 SIZE

print size

artwork size

All files will be printed using large format printers that only use

CMYK

include 3mm

BLEED

to all artwork files @25%

we will NOT be able to print any special colours, so NO SPOT COLOURS

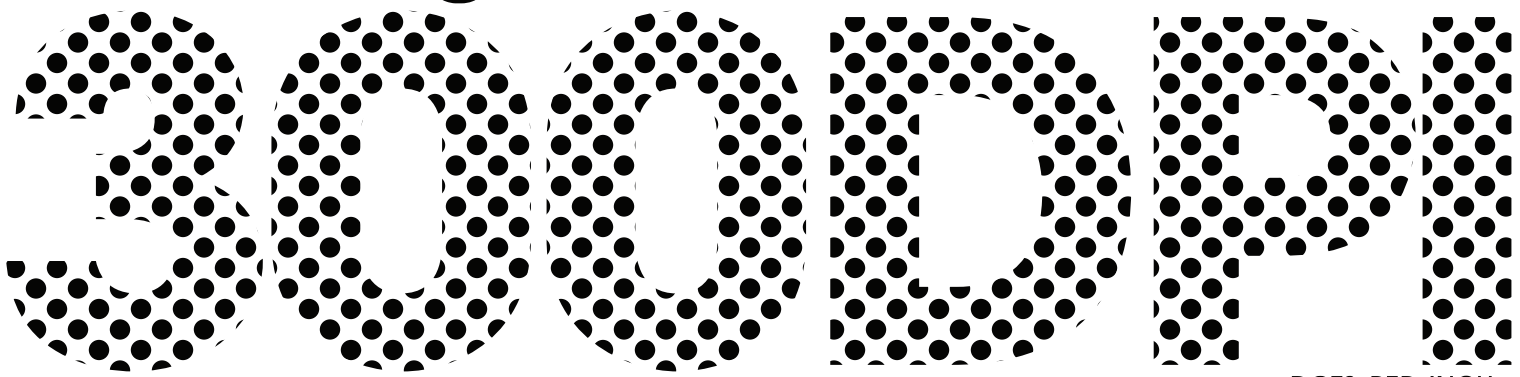

all artwork that has been designed spreading across multiple panels should be supplied as

TRANSPARENCY

can cause issues when printing, so flatten all transparencies

all images used must be

HI-RES PDF

IS THE ONLY FORMAT THAT WE WILL ACCEPT AS PRINT READY FILES

PLEASE OUTLINE ALL FONTS

files supplied for print not following the above will be

REJECTED

and requested to be resupplied with the corrections to save time and errors at print, please supply as requested
